One of the most singular fires that and the clerk, too, thought that the the New York Fire Department has hotel was aftre. been called upon to fight occurred Four engines, two trucks, a patrol at 7.15 o'clock this morning in a fourinch space between the seven-story uty Chief Duane were soon in front of Delavan Hotel, at No. 1433 Broadway, the two buildings. When the firemen

and the four-story building adjoining. arrived the smoke had increased in The latter building is occupied on the volume and there was a little flame at the bottom of the crack.

The firemen found that there was little danger. Between the two buildings, from top to bettom and all the way back from the street, there is a four-inch crack. A citizen saw smoke issuing from the top of this crack. He thought the hotel was afire and that the smoke was coming from an opening in the hotel wall. It happens there is no opening in either the hotel wall or that of the adjoining building where they face each other.

The citizen rushed into the hotel and told Clerk Denyse of what he had seen, nd floor by Foy's candy store and the bottom of the crack.

Trading in the Afternoon Was Light and Irregular, but Prices Were Fairly Well Maintained.

day was fairly active and at a substantial advance over the closing figres of yesterday. Prices at the start were up on an

average of 8-4 per cent. Canadian Pacific and Reading led in the early trading.
Canadian Pacific opened on sale of 4,500 shares at 134 1-2, 1 1-2 in advance of last night's close. There were large buying orders for this stock from Pittsburg and St. Paul capitalists, who have bought large blocks of land in the Canadian Northwest.

Reading sold in 3,500 shares at the opening at 631-4, a gain of 3-4 over yesterday's close.

Duluth, South Shore and Kansas City Southern were also in good demand and buoyant.

After the first half hour of trading prices went off to about last night's close and the trading became duil.

The afternoon trading was duil and listless. The movements were irregular with no decided sentiment. last night's close. There were large

of stocks retained good tably Canadian Pacific. A number of stocks retained good strength, notably Canadian Pacific. Later in the day prices reached the highest point.
The closing was dull and irregular.
The total sales of stocks were 475,000 shares and of bonds \$2,500,000.

The Closing Quotations.

Arch to Commemorate Nation's Birth.

Avana, May 21.—The illumination this city last night was probably see surpassed in an American city. The facades of the hotels and lines of the arches were picked out in electric lights, Japanese lanterns awang from the trees in the parks, colored lanterns of some ancient design glowed above the door of every residence, and the driveway leading to the ocean front was roofed with a myriad of multi-colored globes.
